

# Convert spool request to PDF file

SAP have created a standard program **RSTXPDF14** to convert your Sapscripts spools into a PDF format.

Specify the spool number and you will be able to download the sapscripts spool into your local haddisk.

Run TCode: SE38

**Converting SAPscript (OTF) or ABAP List Spool Job to PDF**

Spool request

Download PDF file

PDF file name

Determination of Document Width (ABAP lists only; Default from Report RSTXPDF3)

Width from Report Parameters

Width from the Formatting

**Converting SAPscript (OTF) or ABAP List Spool Job to PDF**

Converting SAPscript (OTF) or ABAP List Spool Job to PDF 1

**Message**  
Function CONVERT\_OTFSPOOLJOB\_2\_PDF successful

**Message**  
279856 bytes downloaded into file C:\Temp\file.pdf

It look exactly like what you see during a spool display.

Please note that it is not restricted to sapscript's spool only. Any reports in the spool can be converted using the program '**RSTXPDFT4**'.
