

SAP Advanced EWM License check

For “Advanced EWM” features in SAP EWM embedded:

- Table **/SCWM/EXT_OBJ** lists extended objects.
- Report **/SCWM/RP_COMPLIANCE_CHECK** (S/4HANA 2016+) checks overall license compliance per warehouse.
- Report **/SCWM/RP_LICENCE_SELF_AUDIT** (S/4HANA 2022+) provides monthly usage of Basic/Advanced features per warehouse, including item counts and active days, plus customization compliance.

These reports help monitor Advanced feature usage and ensure license compliance.
